Constable Charlie Edgerton returned yesterday afternoon from Glenwood, Iowa, where he had gone to arrest Coffman and Chamberlain, the two men who had robbed Lenox at the stock yards recently. He brought the men back with him, and they now occupy three by nine rooms at the jail.

An item appeared in police items of Monday evening's Bee to the effect that Wyke Elliott, a farmer residing two miles west of the barracks, had been arrested for being a suspicious person. The man who was arrested gave a false name and address as Mr. Elliott is a highly respected farmer and was never arrested or in court in his life.

Shreve, Jarvis & Co.'s statement shows assets of stock, book accounts and personal property amounting to \$30,550.01, and liabilities amounting to \$43,328.85, of which amount \$4,847.64 is to the Omaha National bank. The New York creditors have agreed to grant an extension and accept seventy cents on the dollar, and it is believed that the other creditors of the firm will cheerfully settle on the same basis, in which event the firm will soon resume business.

During that time his duties have been very arduous, and by reason of his faithful performance of the same, his health has been greatly impaired, and it has become a positive necessity that he should take a rest. He will be absent about twenty days, and at the end of that time he does not find his physical condition improved, he will return to Omaha and with his family go to New Orleans to spend the winter. The large host of friends which Mr. Gilmore is able to claim, sincerely hope that he may be greatly benefited and that he will return with his youth renewed like the eagle's and more than ever prepared to perform the responsible duties devolving upon him. Death of James W. Barrett.

Mr. James W. Barrett, a clerk in the local freight depot of the Union Pacific, died suddenly Wednesday afternoon. The funeral services will be held at St. Philomena's cathedral this at 9:30.

The immediate cause of Mr. Barrett's death was neuralgia of the stomach, with which he was attacked last Saturday. He was only 20 years of age and had been a resident of this city for the past three years, two of which were spent in the employ of the Union Pacific. Mr. Barrett possessed many sterling qualities which endeared him to the hearts of his associates, and his sudden death at the threshold of usefulness and manhood is doubly sad—not only to his many associates and friends, but to his widowed mother, who is left alone to struggle against the trials of life in her declining years.

THE ANTI-MONOPOLISTS.

A County Convention Held By That Party—A Ticket Nominated.

All Democratic Nominees, Clark and Gilston Excepted, Endorsed.

The anti-monopoly convention of Douglas county to nominate a county and legislative ticket met in Fireman's hall yesterday at 2:30 p. m., and was called to order by Mr. John Rosicky, chairman of the county central committee. The call was read by Mr. Rosicky after which Jerome Pentzel, on motion of Ed. Walsh, was made temporary chairman. Allen Root was elected temporary secretary.

A committee of five on credentials, consisting of Ed. Walsh, Matt. Hoover, D. P. Angell, John Rosicky and Robert Twaddell, was appointed by the chair. A recess of fifteen minutes was then taken to allow the committee to prepare a report to the convention.

At 3 o'clock Allen Root called the convention to order and stated that the committee on credentials was in a muddle owing to the fact that there were two sets of credentials from Douglas precinct. Both delegations were directed to appear before the committee and state to that body their claims to seats in the convention.

At four o'clock the committee on credentials made the following report to the convention, of delegates entitled to seats in that body:

First ward—John Rosicky, Matt. Hoover, Ed. Walsh, H. S. Smith, George Karl, Frank Vodka, proxy by John Rosicky.

Second ward—Julius Nagl, James O'Toole, John Audrit, Anton Komert, Vaelua Kubea, F. M. Trevitt.

Third ward—John Frank, proxy by A. W. Burk, John McCallan, Aug. Schaff, proxy by Julius Meyer, Matt. Hoover, Michael Oakes, proxy by Pat Ford, George Trimbel.

Fourth ward—Edw. Rosewater, A. P. Quansstrom, Peter Larson, F. S. Malcom, proxy by Jerome Pentzel, A. A. Rheem, proxy by Ed. Walsh, W. Welch.

Sixth ward—H. Amussen, John Williams, William Ryan, proxy by D. P. Angell, Alf Wolf, proxy by John Williams, T. W. Schroeder, proxy by D. P. Angell, W. T. Murphy, proxy by John Williams.

Douglas—James Flannery, Lewis Wisboe, T. J. Crawford, H. Goff. Union—Robt. Twaddell, J. G. Knight, B. Bates, W. S. Whitman. McArdle—John McArdle, Hans Rasmus, Allen Root, Sam Root.

Jefferson—George Linde, delegate, and holding the proxies of John Reich, Clark Grommeyer and John Klink. Florence—R. W. Cowan, Ed. Walker, John Lewin, Lewis Plant.

Millard—G. Bechtel, Christ. Rofler, proxy by G. Bechtel, D. Theissen, S. Cotner, proxy by G. Bechtel.

Oliver—B. Bierbach, delegate, and holding the proxies of William and Gus Koenner. The report was adopted after a futile attempt by Douglas precinct to be allowed five seats in the convention.

On motion of Ed. Walsh, Allen Root was made permanent chairman. That gentleman made a few remarks, stating there never was a time in the history of Douglas county when such an opportunity was presented to the anti-monopolists for electing a good county ticket. If good men could be found from those already nominated take them, and if not the next best thing must be done.

Dr. Layton was chosen permanent secretary. On motion of John Rosicky the convention proceeded to the work of that body, taking up first the nomination of state senator. Julius Meyer nominated John A. McShane, and Fred Metz and A. W. Burke, E. F. Smythe. It was carried by the convention that the first ballot be formal one, the two nominees receiving the highest number of votes to be declared the choice of the convention.

The following is the result of the first ballot: McShane, 64; Metz, 54; Smythe, 44; Troup, 4. The nomination of McShane and Metz was then made unanimous.

The nomination for that senator coming next it was moved that A. N. Ferguson be nominated by acclamation, but the motion was lost by an amendment to proceed to ballot, which resulted, Ferguson, 58; Clark, 10. The first named gentleman was then made the unanimous choice of the convention.

The nomination for county commissioner coming next on the call Joe Redman and Geo. Timme were named for that office, the vote being as follows: Redman, 10; Timme, 50; Sheppard, 4. For county judge, J. J. Potts and J. H. McCulloch were nominated. The vote by ballot resulted Potts 39, McCulloch 18.

For nomination of candidates in the lower house of the legislature it was ordered by the convention that four names be placed before that body, and the two receiving the highest number of votes be declared the nominees of the convention. The names of W. M. Kane, A. C. Troup, J. H. Winspear and William Turtel were presented to the convention, the ballot resulting as follows: McArdle, 30; Turtel, 41; Winspear, 24; Troup, 28.

On the second ballot, the names of A. C. Troup, Morris Morrison, J. H. Winspear and Adam Stringline were presented and resulted as follows: Troup, 19; Morrison, 30; Winspear, 40; Stringline, 43.

John Mulvihill and J. S. Riley were next nominated by acclamation.

On motion of John Rosicky, seconded by Pat Ford, W. G. Whitmore and Rasmus Rasmussen were also nominated by acclamation.

For coroner, John Drexel was nominated by H. S. Smith, and Henry Homan by George Linde, the ballot resulting as follows: Drexel 29, Homan 27. Drexel was declared the nominee of the convention.

Park Godwin was next endorsed, by resolution, for district attorney.

Resolved, That the anti-monopolists of Douglas county, in convention assembled, endorse the nomination of Charles H. Brown for the congress of the United States, and call on all the friends of good government, without regard to party, to assist in his election.

The central committee for the ensuing year was next reorganized as follows:

First ward, Ed. L. Howe; Second ward, James O'Toole; Third ward, Pat Ford; Fourth ward, Jerome Pentzel; Fifth ward, B. McGinn; Sixth ward, S. Van Beuren; Florence, H. W. Cowan;

Millard, J. G. Knight; McArdle, Jim McArdle, Jefferson, George Linde. Allen Root was unanimously chosen chairman for the ensuing year. The convention then adjourned.

A SLICK ROBBERY.

Thieves Rob N. Friederickson's Store at Noonday.

Wednesday noon N. Friederickson's dry goods store on South Thirteenth street was robbed of \$125.

At 11 Wednesday forenoon Mr. Friederickson left the store to go to his dinner. At the time of his leaving there was about \$125 in cash in the money drawer. The store is a double one, and when Mr. Friederickson is at dinner no one is in the north store except when a customer is to be waited upon.

Shortly after Mr. Friederickson had gone to dinner a young man entered and bought a collar, giving in payment therefor a \$10 bill. He said that he expected a lady to meet him there and requested the clerk, in case she called, to tell her he would return in a few moments. He hasn't returned yet and the probabilities are that he will not.

A little before one o'clock Mr. Friederickson returned to the store and found that the money drawer had been robbed. No one was seen to enter or leave the store and no clue has been obtained to the thieves.

Fifth ward, first district, at 507 North Sixth street, next door to Gentlemen's grocery store.

Fifth ward, second district, at Tremont house.

Sixth ward, at store of A. H. Saunders, corner of Cuming and Saunders streets.

The Metropolitan club gave its second party in Metropolitan hall. It was a highly enjoyable affair throughout.

A concert preceded the dancing. In the absence of the president, Mr. Julius Meyer, the vice-president, made the opening address and acquitted himself nobly. Miss Sophia Cahn recited "Charlie Macree" in a very creditable manner. Mrs. M. Michaels sang a soprano solo "When in Blossom Time," by Hopps, so well that she received an encore and responded with a ballad. Miss Minnie Rothschid gave a piano solo "Miserere Traverso," by Gotschalk, and was obliged to play another selection. Messrs. J. Meyer, S. Hoffman and M. Cahn rendered a trio upon the flute, violin and piano, and were also encored.

After the concert programme was finished a dance programme of twelve numbers was gone through with to the music of the Musical Union orchestra.

The Ladies' Musical Society, Wednesday the Ladies' Musical society, of Omaha and Council Bluffs, opened its second season in Max Meyer's hall. There was a large attendance, and considerable interest was manifested. The feature of the meeting was the piano playing of Miss Neally Stevens.

The lady gave some excellent selections yesterday and they were greatly enjoyed.

After the concert the annual election of officers was held and the following were chosen:

President—Miss Claire Rustin. Vice-president—Miss Julia Olfner. Secretary—Miss Julia Olfner.

Treasurer—Mrs. McCall, Omaha; Miss Baird, Council Bluffs.

OMAHA'S PAVEMENTS.

The Work of Paving for the Season Completed—What Has Been Done.

The Barber Asphalt company has completed its contracts for this year. This company has put down in Omaha this season 95,000 yards of asphalt paving, making in all about 160,000 yards of this pavement, which is now laid in this city.

It is laid upon Douglas, Dodge, Farney, Howard, Cuming, Ninth, Tenth, Eleventh, Twelfth, Thirteenth, Fourteenth, Fifteenth and sixteenth streets.

This work has all been done in excellent shape and the pavement is a substantial one and gives general satisfaction. It is a great treat after riding over the stone pavements for a few blocks to roll off onto the smooth and even surface of the asphalt. It is certainly the finest pavement for driving upon which was ever laid down.

Besides the Asphalt pavement, Tenth, Farnam and Thirteenth streets, St. Mary's avenue and the alleys are paved with Sioux Falls granite. And a part of Ninth street is paved with Colorado sand stone.

Taking all the pavement together there is now about ten miles laid down in Omaha, which makes it one of the best paved cities of its size in the United States.

UNION PACIFIC CHANGES.

Mr. S. T. Smith Appointed General Superintendent.

Official Notice Given of the Change—Minor Matters in Connection With the New Programme.

There has been a great deal of talk in regard to the changes to take place in the management of the Union Pacific road, and especially as to the appointment of a general superintendent, but until now no official notice of any change has been made. Yesterday, however, a circular was issued from the office of General Manager Callaway, announcing that Mr. S. T. Smith, superintendent of the Kansas division of the Union Pacific road, has been appointed general superintendent of the entire Union Pacific system, comprising about 5,000 miles of road. Mr. Smith will assume the duties of his office on the 15th of November. Instead of five general division superintendents as now, there will be but one general superintendent.

Mr. Smith will bring to his enlarged field the experience of nearly twenty years service with the Union Pacific. As far back as 1865 Mr. Smith began service with the old Kansas Pacific company as clerk, with headquarters at Wyandotte, and since that time he has been continually in the employ of the company. For many years he was the auditor of the road, and at the time Jay Gould secured control of the property Mr. Smith succeeded Henry Villard and Charles Greeley as receiver, and when the Kansas Pacific roads were consolidated under the name of "Union Pacific" he was made superintendent of the Kansas division, embracing nearly 1,000 miles of road, and now his jurisdiction is extended over the entire property with headquarters at Omaha. It is not probable that Mr. Smith will remove his family from Kansas City for a year at least, but no doubt eventually Omaha will be his home.

The Kansas City Times says "that by this appointment and promotion of Mr. Smith, it is more than likely that Mr. Jacob C. Brickerhoff, the present division superintendent, will succeed Mr. Smith as superintendent of the Kansas division, and probably other changes will take place. Those who claim to know say that this promotion of Mr. Smith is simply a step to a still higher position, and that President Adams has a place in view which will in the near future make Kansas City more the headquarters of the Union Pacific system. In fact it is not improbable that the headquarters will be transferred bodily from Omaha to Kansas City."

It has been talked that Mr. J. M. Eddy, of this city, would be appointed assistant general superintendent of the road, with headquarters at Denver, but as yet no official notice has been given of such appointment. This morning Mr. S. T. Smith and Mr. J. M. Eddy went to Chicago to meet General Manager Callaway. At the transfer Mr. Eddy was approached by one of his friends, who congratulated him upon his appointment, and was informed by Mr. Eddy that there was no reason for congratulation, as there was nothing in the report.

A gentleman who is perfectly conversant with the facts in the case informed a Bee reporter yesterday that in case Mr. P. J. Nichols, who is now general division superintendent of the Nebraska division, desires to remain with the road, an opening will be made for him, as it is the meaning of the management to retain all its old employees.

Other changes will doubtless follow in a short time and this fact makes some of the lower officials decidedly uneasy about now.
